Member Testimonials

"Since joining BOMA OC, I've connected with knowledgeable, well-respected peers that have helped me, and the growing company I work for, and to stand out in this competitive industry. Through BOMA's educational seminars, trainings, and networking events I've learned cutting edge strategies and techniques that have helped me effectively manage my portfolio."

Theresa Ramirez,
*Property Manager with
A Street Partners*

Being a BOMA member and Board of Directors member has given me a deeper understanding and connection to the larger commercial real estate industry we are all immersed in. BOMA OC is actively involved in political action, educating its members through various programs, and providing an environment for collaboration. I have gained key relationships, industry knowledge, networking with peers and executives, and life-long friends through BOMA OC. Additionally, I've had the opportunity to serve on several committees and subsequently lead a few of those committees, of which those experiences have helped me hone my public speaking skills and my organizational skills

*Portfolio Manager, River-
Rock Real Estate Group*
